Matthew Skjonsberg: Living cities and civics (Presentation in English + discussion in various languages)

[Presentation](#) [Discussion](#) [Workshop](#)

2023 Atelier

Description

History

Matthew Skjonsberg is Associate Director of Future Cities Laboratory Global (FCLG-ETHZ), program coordinator for the Doctoral Program 'Research Methods in Landscape and Civic Design' of the Institute of Landscape and Urban Studies (LUS-ETHZ) and lecturer on Civic Design and Public Health (MScLA-ETHZ).

The discussion following the presentation will focus also on the concept of civics and on alternative lifestyles in living environments (in various languages)

Proposed date: 22 July (morning)

Share it with your friends

I am interested

I can be a presenter
